International Delivery of the Uniform CPA Examination

The California Board of Accountancy (CBA) will be discussing international delivery of the Uniform Certified Public Accountant (CPA) Examination (referred to as iExam) at its upcoming meetings in January and March 2011. The CBA has not taken a position on whether California will participate in iExam.

At present, no examinations are being offered internationally. The National Association of State Boards of Accountancy (NASBA) has indicated that the Uniform CPA Examination will not be available at international examination sites until sometime in August or September 2011.
